Dear Mr Branson,

On January 6, I received a letter from you inviting me to sign up with Virgin Media Broadband. I am writing to tell you why you can shove this invitation up your jacksie.

This is a very short reply, but you can find the rest in a small archive I have set up dedicated to your Mickey Mouse Company. It's called FuckedByVirgin, and can be found on the web at the permanent address <http://www.archive.org/details/WelcomeToFuckedByVirgin>

Yours Sincerely,
A Baron

PS: I still have the electronic device alluded to in my E-Mail to Richard Bourne of June 26, 2007. It is sitting on top of my bookcase until I decide to throw it out. I have no idea what it is, but you can send someone to collect it just as soon as you refund me for the inconvenience, additional expenses and sheer bloody aggravation your company caused me two and a half years ago.
